Section-IV: Skill Test / Typing Test Practice

This part is qualifying in nature. Use it for typing speed and accuracy practice. For LDC/JSA, practice 10 minutes. For DEO, practice 15 minutes according to the required key-depression speed.

Typing Passage Practice:

A responsible employee maintains records carefully, communicates politely and completes routine work within the given time. In modern offices, computer skills are as important as reading and writing skills. Candidates should practice typing daily with correct finger placement, steady rhythm and proper posture. Accuracy should be improved first; speed will improve naturally with regular practice. A calm mind helps reduce typing errors during the actual test.
