## Section-IV: Skill Test / Typing Test Practice

This part is qualifying in nature. Use it for typing speed and accuracy practice. For LDC/JSA, practice 10 minutes. For DEO, practice 15 minutes according to the required key-depression speed.

### Typing Passage Practice:

Digital services have changed the way citizens interact with public offices. Online forms, digital payments, electronic records and transparent tracking systems can reduce delays and make governance more accessible. A candidate preparing for a clerical post should understand the importance of accuracy, discipline and careful document handling in such offices. Every entry made in an official system must be checked before submission because small typing mistakes can create unnecessary problems for citizens and departments.
