Section-IV: Skill Test / Typing Test Practice

This part is qualifying in nature. Use it for typing speed and accuracy practice. For LDC/JSA, practice 10 minutes. For DEO, practice 15 minutes according to the required key-depression speed.

Typing Passage Practice:

Public service requires patience, honesty and attention to detail. Whether an employee is handling applications, letters, data sheets or public queries, the quality of work depends on accuracy and time management. A well-prepared candidate should practice both objective questions and typing exercises. Regular revision, mock tests and error analysis can make preparation more focused and effective.
